“ I worked with Trinidad for many years at Sherman & Reilly. I found him to be a very kind man. He was a Loving and Devoted Family man. His family was precious and priceless to him. He would defend any of them to the Hilt, in a moments notice! He was a character to work with! He made our work days interesting, to say the least. When I first met Trinidad, I found it somewhat hard to understand him. But, I grew to love, respect, and even admire Trinidad! May you rest in peace, my friend.
You will be remembered with love. And, you will be missed.
