“ My condolences to the whole family. I met Mrs Beck when I visited Sheri 7 years ago. She was a lovely lady who loved my Aussie Accent. I remember the letters she sent me for birthdays which I still have and know what a loving mother she was to Sheri and her whole family. Prayers coming from Australia for the whole family. Her final words come from a song I love and cherish because It gives so much hope. I am glad she is now with her Lord and Saviour but also know that while we are happy for our loved ones we also feel we are missing a part of us. Take the time to grieve and know I am a message away if you ever need to chat.

“ Oh, Sheri! I pray your memories and your mom's great faith will bring you much comfort. Thank God you can mourn with the hope of Heaven! Your mom was a wonderful woman and I see so much of her in you. I have so many great memories, she always had the best homemade goodies to eat and was always so welcoming and loving. I never heard a negative or complaining word from her. I have so many cards and letters with words of encouragement and sharing her life with me. When I last saw her in 2013, she was as beautiful as I always remember her being and such joy she brought to her sister, my mom. May the Comforter come, Sheri, and bring you His peace that surpasses human understanding.

“ Aunt Vanita was always such a beautiful little lady. She loved her Lord, her family and baseball! I never saw her without her hair done or her makeup on.  
She was my idol when I was a little girl . The princess in a fairytale! I loved her dearly. Sheri, you and your family are in my thoughts and prayers as you face the days ahead, until we all are rejoined again at the gates of Heaven.
