“ It was always a joy for me to be around Velma. To me, she was a one of a kind and lived a good life with family and especially with Sam. In a younger years, I remember her many trips to the beauty shop, taking pride in her appearance. In a later years, I remember her water bottle, not hesitating to spray water on Pam and Ed Kirklands' dogs, keeping there distance from her. I thought a lot of Velma and will miss seeing her.
