“ So sorry to hear this; the name jumped out at me, as my grandparents--Benny and Jewell Benefield--lived two doors down from Lee's Broome grandparents. Lee's dad and I are probably in the same age group, and likely played together as children at some point. Condolences, from our family to yours.

“ I was very happy and proud to have Lee as a part of my family for 9 years. I was able to see what it was like to have a son. I'm glad I was able to watch him become the man he always wanted to be. We will all carry the special moments through life with us that we spent with him and won't forget.
