“ I always enjoyed spending time with Vernon. He was one of the most pleasant persons that I have ever know. I knew Vernon from the E H Holmes Wrecker Company and had the sincere pleasure of meeting Vernon when the second Holmes plant opened in Newbern, TN which is in West TN, north of Memphis. Vernon was very talented and could do anything that he set his mind to do. We will all miss you and "Thanks" for the memories.

“ Dear Stanley, Scarlett. Arlene and family, Vernon forever remain in our hearts....His stories shared always brought a smile to our face. He was one of those rare people we were blessed to know that no matter how bad our day may have gone, always have a word of encouragement and he made sure to bring a smile to your face before the visit was over. We will treasure the hundreds of memories we have. We had hoped to make hundreds more but that was not to be. Our thoughts and prayers are with you all. May God hold you close!!
