“ I was a young kid when I met Vic at caldsted where my parents worked. She was always nice to us like a second mother and we become good friends. I would go see my mom or dad for one thing or another and while waiting on them I would sit and cut up with Vic until they came up. Vic always had a smile on her face and greeted everyone that came to caldsted with her friendly personality and smile that made everyone feel welcome. Her passing is a sad thing and I hope the lord will give her family peace in this time of need. I will truly miss Vic she will always be loved by me and my family. Thanks Vic for the many years of great memories and enjoy your new life in heaven. Love you always chris creasman
