“ *Just leaning of my Great Uncle Vic’s passing and am so sad to hear it. My mom, Jayne (Demos) Huff was Violet Jenkins daughter, Uncle Vic’s niece. I have fond memories of visiting him and Aunt Eunice in TN/GA when I was growing up. He was a kind and decent man. And I’m not sure if he converted - but when I knew him he was definitely a practicing SDA (not Baptist as the obituary suggests). Very sad to hear about all three sons preceding him in death. I knew Michael passed (right around the time I was born I think), but we didn’t know Gene and Jerry.*

“ Ursula Jenkins lit a candle in memory of Victor Jenkins. Victor ("Vic") was my father-in-law that my husband Jerry Jenkins and I lost touch with after Jerry's mother's death (Eunice Jenkins) many years ago when he "adopted" his new family.

Vic himself had a large extended family--- nieces, nephews, grandchildren, great grandchildren, in-laws --- all Seventh Day Adventist in and around the Collegedale area, as well as many relatives out of state. We are all saddened to hear of his passing. He was a fine fine man. I am sure he is now with his wife and sons in heaven.

This was my grandfather that I lost touch with after my grandmother died

He had family that loved him and wanted to see him but a terrible person kept him from us and now claims she did no wrong. Some people are just earful people pretending be loving and caring Christians. I know we will see papaw in heaven.
