“ I was blessed to be able to meet and care for Mrs. Brown during the last few months of her life. She was such a positive and happy person and would tell me everyday how God is going to bless me because she had asked him to. She would sing during the night praising the Lord and she called on him daily for strength and comfort. This lady was one of a kind--beautiful and witty ---generous and compassionate to those who were fortunate enough to get to know her. I am sure you will miss her terribly but just try to think about how many beautiful memories you have made. How lucky are you to be part of her life! Thank you for allowing us to share in her care.
