“ Dearest Family of Virgil Ray Smith,
So very very sorry to learn about the loss of your loved one.
I met Smitty in 1970 when I was just 16 and living in Glendale,
California. He was a friend of a friend but soon became like a big
brother to me. He was fresh out of the military and enjoying life
while having long hair and a beard. I had recently given my life to
The Lord. We went on many little motorcycle rides enjoying the
beautiful scenery of Southern California. Smitty was always kind
and respectful. He rescued and comforted me on his bike one time
after a fender bender car accident made our car undriveable. Smitty
lived alone in a little apartment and enjoyed a chance to come visit
us. One day we went with his friends in a van to the beach at
Malibu. He said I was a good influence on him and that is the night
he decided to change his ways and turn back to the Lord, cut his
hair, move back to Tennessee, and become a preacher ! I never
saw Smitty again, but we corresponded, and he sent me a picture of
himself, all clean cut, in a suit and now a pastor. Wow, I was so
proud and happy for him. His mom Jewel was very kind as well and
sent a Bible and some makeup for Christmas. I am grateful to have
had Smitty in my life and I would like to learn more about him.
Please feel free to contact me. nuevocindy@gmail.com
most sincerely, Cindy S.
God bless all

“ *I missed you before you were gone.*

*Freedom
Gain for anything*

Movie, restaurant, ride on motorcycle with others or alone, just sitting in park, hang at Applebees, cruise looking for barns, shoot pool, randomly pull over to meet-greet and educate the public about MIA. His commitment to veteran organizations. Gift of gabbing with absolutely anyone without judgement. It is a privilege and an honor to have known such an exceptional person. I've never had such a friend as VRay. A unique creation by God for sure!

“ A Special Memory of my Long Time Friend VRay. We had some stories to tell in our motorcycle rides. If we got bored or moved too slow we would take off for home over the woods and over the downtown Bridges at 80mph We always had Great memories like sitting on my porch till early morning hours just talking for hours, We saved a lot of World Problems laughing all the way. I will truly miss our time and talks RIP to a Wonderful and Honorable Man

“ My heart is so broken, Ray was my buddy, we would cut up with each other a lot and he had his view on a situation and I had mine and his view usually won lol. Things are just not going to seem the same at the facility with him gone,, I will cherish the laughs and the fussing we had while he was here but I will always remember him as a great person, God has gained a beautiful sole and loving, caring man that we are all going to miss so much.

My heart goes out to Jerri and her family. All of you were like our family as well

R.I.P RAY.
