“ *Aunt Sissy I will miss you always.. you will forever be one of my favorites! I love you for always loving me, my whole life & my children. You could handle Caleb even if it meant letting him roll in the mud.. You handled all of us no matter what we went through or where we were in life you loved us unconditionally. I miss your laugh. I will forever cherish our conversations about Jesus & the Bible.. we could talk about God for hours. You are one of the strongest women in my life & I love you so very much. You know I will always love Amber & Hailey and check in on them. It's so hard to say goodbye bc I know I'm gonna see you when I get there but until then I'm gonna imagine you glued to Jesus holding your Chase. Love always and forever your niece Jessica..*

“ I will always remember all our love & laughter we shared in our childhood. You were not only a cousin but we were like sisters growing up. You were so special- so much love for everyone like your moma. She was a beautiful person as I see her in you. You will be missed -but no more pain & everyone knew the love you had for Jesus- as you always shared it with everyone. You will be missed. I told Amber you would be proud of her. I will carry you in my heart. ~Love Darlene~

“ There are so many things I could say about her. She was always so kind to us. She wasn't just beautiful on the outside, but on the inside too. She was a wonderful grandmother to my son and she was always so sweet to me. She was always there to pray for me and encourage me in some of the toughest times of my life. She loved Jesus and she always told me to just keep trusting. I will miss her dearly and there will always be a hole in my heart without her. We love you Sissy.
