“ I miss my great mamaw so much I remember when every time I would come over she would be sitting on her little spot reading the news paper and sometimes I would read it with her when me and my mom would go and visit her. I miss her so much. But God gained a beautiful angle and that beautiful angle is my great grandmother Virginia Lee rosenbaum

“ My Heartfelt Sympathy and Continued Prayers for The Rosenbaum Family during this difficult time. Jenny was one of the kindest women I've ever met. She always smiled and cared about others needs before asking for things for herself. My Mom and Grandmother were very fond of her as well. She raised a wonderful family and treated me like a daughter from the day we first met. Jenny was a very special and good influence on Michael and I during our marriage. She would get up early and make Sunday breakfast for us to enjoy before we all went to church together. We loved surprising her with cards and flowers - she loved showing off her Azalea blooms every spring... her way of thanking us for them each year. I was able to visit her a few times later in her life and she never lost that precious caring smile.
