“ *Vivian was my cousin, and our parents used to visit each other a lot when we were growing up, I hate it that we lost touch with one another when we grew up. I will always remember the good times we shared as kids. RIP Vivian, you've earned your angel wings.* ”

“ Vivian and I Co - grandmother Logan. I loved and appreciated Vivian beyond words. Our ENTIRE family does . She was the BEST Meme that could ever be. She loves him SO BIG! AND let me tell you....it's mutual. Logan and Vivian shared a strong unbreakable bond and she left him with some mighty fine groundwork when it come to doing the right thing, loving and accepting Jesus and being a good honest person. That is what she gave him and he will NEVER lose that. I and so sad she only got to enjoy him 7 years , but I am forever grateful she fully invested those 7 years. She left him and beautiful legacy that I will never let Him forget.
