“ I met Walt when I was stationed at the Army MARS station in Dongha as part the 108th artillery group. He was a small chubby guy. Smart, funny and resourcesful . I was a Sgt E5 and I believe he was a Spec E4. He made us laugh. Kept things jumping. Loved his southern drawl and his upbeat spirit.

I had been trying to find him online for the longest time. Someone to treasure and be proud of. Thank you Walt. You were the man. Rest In Peace,
