“ We lived next door to the Raines' on Mission Ridge Road. Clifton was one of my best friends, we play in the woods, built forts and if we could get a set of wheels would build a "hot rod" and coast down steep hills. The subdivison (Mountain View) was just getting started and we often play around the area. We got into a little mischief regularly but nothing serious. We collected "coke" bottle from the ditches and would sell them at the store. There weren't many other kids around in the early years so Clifton, Mickey, the girls we all played together, had our differences but enjoyed the simple times. Clifton was a good kid!

“ My Papaw was the best ever. I will never forget the summer weeks I gotta to stay with him and we have a lot of memories together. I had the pleasure of taking him to his first Braves game last August and I'll have to say if was one of the best days of my life getting to share a first for both of us in something we both love. Go Braves. I love you papaw and I always will. Love Papaw's Girl

“ Clifton was among the best friends I ever had and one of the best of us. I have never heard of one slang word come from him. He was a Wonderful Soul and Loved by all of his Classmates from the 1965 Graduating Class of Rossville High School. He was and still is Loved by us all. I Love you my Ftiend, Ernie Wilson
