“ To the family of the dearest Walter Templeton,
My sincerest thoughts and prayers are with you. You are blessed to
have such a loving father, brother and uncle. He always talked
about his family and it was known that he loved them with all his
heart. Walt had plenty of funny stories to share about his life and
adventures. No doubt he left his mark on the territory he traveled.
Now he can climb the highest mountain in Heaven and see beauty
forever and ever. Thanks be to God!
With love,

“ Walt will be missed, we have so many fond memories of Walt, our
cruise to Mexico, trips to Tunica & Gulf Shores, and of course our
afternoon breaks.
Walt was not only a co-worker he was our friend, and over the years
became more like family.
In our hearts Walt will live on ...Rest in Peace!

“ I haven't seen or talked to Walter since his big 50 party at Logan's.
But the memories of our childhood are like they were yesterday.
Walter was a rare breed, highly intelligent tempered with common
sense. You will be missed mi amigo.
