“ *As I sit here, heartbroken by the loss of Mom Burns, I close my eyes and Treasure the memories of the Wonderful weekend that we shared last year, and am very thankful to my Best Friend and Twin, James Burns, for taking me to meet her and the family.. James and I have been Close friends for 5 years, and during that time I became very fond of his Mom and family. Mom Burns and I have shared many conversations on the telephone, and I loved that she always told me that I could call her any time I liked.. I may not be able to pick up the phone anymore, but she and I will continue to have our conversations through thoughts, memories and Prayers....God Bless you Mom Burns, I shall miss you Dearly.. Much Love to you, and to the Family, and may you be at Peace now... With all our Love, Debbie & Girls XXXX*

“ On behalf of my wife Claudia Burns and myself Jimmy Burns from Bellflower CA. The two of us would like to sincerely express our condolences to Wanda C Burns and to all of the children as well. A few of you know who I am yet some of you don't know who I am.

Therefore since some of you may or may not know me I would like to tell you as to who I am so here goes. I am the son of the late James Burns of whom had his life taken away from him on July 26, 1985. Sadly he had died when I was the age of 5 years old. His father was the late Ted Burns from Chattanooga, Tennessee and according to my research that I have collected over the years he was the youngest child of all the brothers and sisters. Ted Burns was Robert Burns brother.

For the most part I wish I could get the distinctive pleasure of meeting all of you or getting to know you more. However, it is virtually impossible to get to know someone when you live half away across the country.

Furthermore I would like a chance of getting to know all of you more and perhaps we can all become more acquainted with all of you. Should you choose to want to get to know me more there are a couple of ways I can be reached. One is if you have a Facebook account go to the search section and add my email which is [jburns122@email.itt-tech.edu](mailto:jburns122@email.itt-tech.edu). Or email me at the following address. Lastly I have never been good at writing obituaries I too had just had a death in my family my great uncle David Bies had just passed away on Monday morning of last week and two years prior to that my grandfather Robert Bies had passed away and a year prior to that my cousin Ann Marie Burns had passed away. With the three mentioned names as well as having been the one experiencing first hand of my family passing away I have learned to accept and understand the passing of human life and I can honestly say I know how it is. Once again I want to give my condolences to the mentioned family and I hope this will lead to new beginnings.
