Heaven is a much brighter place with their newest angel. Aunt Wanda, I can not put into words what an impact you had on my life. Jess and the girls fell in love with you from the first moment they met you. We were so very blessed to have you in our lives, and we can't say thank you or we love you enough. You always put others before yourself and truly cared! You are loved and missed so very much. Rest well mama Wanda, you fought the fight, now rest! We love you.
