I remember so many simple things in childhood that always included Diane! We played together at Aunt Mables house. She would always say that Grandma Bell loved her better because they lived in the same house. SHE was adorable with curls like Shirley Temple! She always had dresses with crinoline, that made her look like a princess. She also took me with her to the Baptist Church...which really impressed me. So sorry to lose my cuz. Speaking peace in the name of Jesus.
