“ I am sad that I was able to attend Paw Paw's services. My thoughts are with all of my family and friends who are mourning the passing of Paw Paw Wayland.

When Papa Gordon was frail and in his last days, I had the wonderful opportunity of living in his home and caring for him. During that time I was able to hear so many stories about Paw Paw Wayland's boyhood on the farm and the relationship that the two of them had. I could write a book from all of the stories!

We will miss Paw Paw, but let us always remember his strength and sense of humor.

*Love,
Alexa*
