“ Our deepest sympathy to Priscilla and the family. Don was truly a great friend and helped us with our business immensely. I will always remember him as "The" Don Johnson. Praying for God's peace and strength for you and your family, as you navigate this difficult time. We spent many hours sharing Jesus with each other and I know he is in heaven dancing with Jesus. “ We love Don and the whole family. All of my kids and grandkids are friends with someone in this family. I loved seeing him at sporting events and loved arguing with him (playfully) My heart is with Priscilla, all of his children and their significant others that he treated as his own. He will definitely be missed
