“ Working at the Fort Villanow Veteran's project with Wesley was the best memories I have with him. Working long hours to build something that we could all be proud of. Wesley was always right there making sure I understood what we needed to do to accomplish our mission of the day. Even after getting a nail from a nail gun in his thumb he kept working until we finished for the day. I Love you Wesley. You are missed greatly already brother.

“ Our Flag is currently at half mast.  
GOD BLESS WES, WE WILL MISS YOU!

Good friend & neighbor to all Veterans and families at Fort Villanow Veterans Project. He spent many hours working and helping to “man the fort”.

Wes and my late father Charles (Chuck) Hall of S. Dicks Creek Rd in Villanow were very close over the last couple of years or more. Dad thought highly of Wes and they were like teenagers on the phone on a daily basis, sometimes several times a day. He would help dad do things out in the yard or garage/shop and they enjoyed spending time with each other. Now I can hear my dad in heaven asking him, "what took you so long getting here?!!" Lol. Prayers for the Alexander family from mine. RIP Wes Alexander.
