“ I knew Bill in NJ in the late 80's when he worked at Bell Atlantic (later Verizon) as a math wizard. Bill was always a cheerful man, very religious, and a friend to all. Bill, Larry, and I used to go lunch often in downtown Newark where we all worked, and I very much enjoyed those times as the young man in the office. It looks like Bill had a full life after I left Bell Atlantic, and I'm happy to see he had a large family. Rest in peace, Bill. 😊

“ I didn't know brother Bill very long, only saw him at church since they moved to TN over the past couple of years, but I am privileged to have known him for the short time I did. He was a dear sweet brother in Jesus and he had a wonderful testimony that he loved to share. He inspired more people with his testimony than he realized and being the godly example that he was to his family and friends. He will be dearly missed. May God wrap His strong arms of comfort around sister Dee and their beautiful family in this time of loss.
