“ *Whitten and I are very sad about Steve's death. Steve was a very loving brother to all of his sisters. Steve, Barbara and I were the youngest of six children. Since I was five years older than Steve , Barbara and Steve and I would play together a lot. We spent most of our summers playing in the yard. Steve loved board games. We would spend many hours playing games. When Steve was in speech therapy, I would help him pronounce the words. Steve will always be missed by his family.*

Steve, I'm so thankful to be your little sister. I'm glad we went through 1st - 12th grade.

You were a good big brother.

I miss you so much. Larry and I love you.

It's hard for me to say goodbye but I know in Heaven you can speak clearly and I will see you again. You are missed.

Love, Barbara & Larry Eddings
