“ Dale and I grew up in the same neighborhood. He lived across the street from me. Even though we lost touch over the years, I will always remember the good times we had growing up in Highland Park. My sincere sympathy to his family. I do remember Dale as being such a nice person.

“ I was so sorry to hear about Dale. He and I grew up in Highland Park together. We were known as the two Dales and I lived at 910 S. Holly St and he was at 912 S Holly. We spend so much time together as kids playing and fishing together. I have always thought of him so often and we simply lost track of one another through the years. He was a true friend and one that could be counted on always. Prayers to the family and friends and I know he will be missed in so many ways. In Christian love, Dale Ray, Millington, Tennessee
