“ Kathy,

I am so sorry to hear of your dad's passing. I had the utmost respect for him and your mom. I will never forget him telling me about them being married for the many years they were and how they met and such...I can not remember all the details of it now, for it was a few years back now but I do remember the joy he had on his face when was talking about your mom. I know both of them are together again and happy once more.

Also your mom and dad was very kind to me from the time I married Daniel and just accepted me as one of the family.

I will always remember them fondly. If there is anything I can do to help you in anyway, please do not hesitate to call me or email me. I would be so happy to help.

I know you are going through many emotions right now. I hope I have let you know just how special your mom and dad were to me and to everyone they met.

*love ya,
Iris*

“ Kathy,

I am so very sorry to hear of Uncle Paul's passing. I have so many fond memories of Paul and Dot, but my favorite one is fishing with Uncle Paul and Daddy at Paul's place at Lake Weiss in Alabama. If there's a lake in heaven, I'll bet Paul and Daddy are fishing right now. We will see them all again one day, but for now, we have all those memories to comfort us. Praying for you daily.

*Love,
