“ Bill will be missed by many people. My husband Dan and I just met Bill and Tina last year for the first time in our wonderful cruise we all took together. It was a great time getting to know one another. Who knew we all had such a close bond. It was like we had all knew each other for awhile already. Bill will greatly missed by all of us but never forgotten.

“ I just remember his heart so much! He had such a huge heart, not only for God, but for people. I can't think of a time I did not hear him encouraging and loving on people. At least for the time I knew him, I don't know if he knew how to say something negative to someone. And when he sang! His heart came through every song! We are desperately short on worshippers of his caliber. Can you just imagine the songs he's singing now!!!! Wow!
