“ I had the pleasure knowing little Willie just about his life and even though we were separated by miles fir many years, we were still friends. He is the nephew of my brother-in-law and sister. Willie always had a kind word for everyone, excerpt some libtards. He will be missed and this saddens my heart that his mother,father and family has to endure this loss. Thank you Willie for all the political jokes we have shared over the years. Rest in peace my dear friend. May the Lord wrap you in his everlasting love. Ray Harmon.
