“ I have fond memories of being in the high school band with Wendy. She always made me laugh and we had a fun time together, many times. She always had a bright smile on her face as well. I know she will be greatly missed.

“ You know that Wendy is in good hands now.... Heavenly Father loves all his children and he will take all her pain and struggles away. Sending my heartfelt condolences to Wendy's family because I know that they loved her very much. Especially take care of my sweet Aunt Katherine because of her age and all that she has been through the last few years. I love you all and pray that Heavenly Father will give you the strength you need to get through this. God Bless, Toni Sparks
