“ The kindness Mrs. Underwood extended to me as a young girl has never been forgotten. When our house burned, she and Barry stepped up and offered for me to stay with them for a few days until my family could figure out the next step. They bought me new clothes which made me feel special and important. She seemed to know by instinct what was needed for me as a pre-teen. Just as she served where she was needed, her daughter and my friend Tena impacted my need to serve others as well. Such a loving, compassionate and tenderhearted example she still is through those like me she has touched. My love to this special family. Many prayers over you all!

Oh, I'm so sorry to hear this. Wilma was one of my favorite customers when I worked Abney's years ago. She was always laughing and joking as we selected clothes for her sweet girls. It was evident that she loved them dearly. Hugs and prayers for her family during this difficult time.

“ *I am so sorry about Wilma passing away, I have a lot of good memories of her and the family. I've been out of touch for sometime but I remember the times I was going to Church at Wood Station with all of you and when I would meet Wilma, Carolyn and Sue it Walmart. Wilma will be missed but she will not have to suffer anymore. And there will be A Glad Reunion Day someday. My thoughts and prayers are with you.*
