“ Dad, As I think of you today I have so many memories flood my mind - taking you to Fiddler's Convention and seeing how much you enjoyed the music and visiting with people - going to Coffee Call at the Veterans Museum - taking us to church every time the doors were open - working with you whether in the garden, laying blocks, or dressing rabbits or whatever you were doing that I could be a part of. Missing the fresh vegetables from your garden especially my favorite orka. I am thankful that you are with the LORD today. Thank you for your service to our country in the Army in World War II. I Love You, Faye

“ Mr. Wink was a joy and a pleasure to serve when he came to the old Ace Hardware in Chickamauga. I was saddened to hear of his passing, but I know he is with the Lord. Praying for God's peace for all of his family members.

“ To Faye, Glenda, & Joyce and all family and friends, Though I didn't see Mr. Frasier very often, I will always remember his smile and great respect for this country. I know he enjoyed the local coffee call here in Athens, Al. at the veteran's museum and tried to attend "The Fiddler's Convention" each and every year. He was a true American that gave full honor for those past & present servicemen out there on the front line. May his respect for life live thru us all.

“ Miss Glenda and Family
So sorry to read of Wink passing. I have many fond memories of him and being around him while I lived and worked in the area as well as with your ambulance service. My prayers are for you and your family as I know Wink is with his savior.

“ I am so sorry to hear of the passing of Mr. Frasier. He was such a sweet man and will be missed. I will always remember him coming to me when my mom died and showing me a picture of her that was taken at a singing school they had attended in Alabama when she was only about 6 or 7. He was so sweet and took it inside and made a xerox copy of it for me. I will always treasure that because I didn't have one of them--I guess her family was not able to purchase one because they were very poor when they lived in Alabama. I know he is joining her and all those who were in that singing school that are in Heaven singing in that Heavenly choir!!!

“ Dear Glenda & family,

Just a note to say what a blessing your Dad was to our family. Every time we saw him he wanted to talk about the Lord and how blessed he was. I remember Dad speaking about Bro. & Sister Frasier after he had seen them.. We know he is with the Lord and we have that blessed hope we'll see him again. I'm sorry that Sabrina & I will not be able to be there because of other obligations but we'll be praying for you. We love you all.
