“ I love ❤️ and miss you so much daddy! My life won't ever be the same! Laying you to rest Thursday 4-1-2020 was the hardest thing I've ever had to do. I know you'd want me to be happy and not cry but it's hard. I can't hardly sleep, eat or drive or just walk through my house! You left behind soooo many memories. I will cherish them forever! You may be gone but you'll NEVER be forgotten!!! I still can't believe it! I know I'll see you again one day and I hope your not suffering anymore! Give aunt Linda and fat boy a hug for me! Please watch over me and be my guardian angel to keep me in line. I'm trying but this is so difficult and I feel like I'm going crazy and lost my mind! I know you wouldn't want that! But rest easy and I'll be there with you one day!!! I love and miss you daddy!!!

“ I miss you more each day! I still can't believe your gone. Daddy I loved you so much! And we had sooo many memories together! And life want ever be the same without you! You was so special to me! Anyone that knows us knows that I was and will always be daddy's girl! I don't know how I'm going to go on without you! My heart doesn't even beat the same! But I know you'd want me to be happy and strong. And be the best mom and person I can be. It's not going to be easy by no means! But we all love you and you are missed terribly...

*Winston loved playing pool and was on my team. While playing for the Championship we put Winston who was ranked as a level 3 player against a level 7 player. I told Winston he was playing the best guy on the opposing team and He replied, “that’s who I wanna play”. Winston won the match that won the championship. His confidence and will to win will always be remembered. He will be remembered and missed.
