“ *I never got the chance to tell you, The night before everything happened I had this overwhelming feeling to let you know I love you. You're a brother always and we had some really great talks on the porch, I'll forever miss that. You was a motivator and now you're even more of a motivator. To his friends, fiancé , mother and other family, I hope for peace and closure very soon. Everyday y'all are in my thoughts and prayers.*

You are loved by many and will be missed even though your life was cut short you've made an impact on many. I still see you as that little hard headed skinny red headed boy full of energy and life.
