“ I still can't believe it we will never get to laugh together again. I remember when you where trying to fix the weed eater while talking about god and you starting getting frustrated I thought at me at first then you started cussing and looking around and about ten minutes of preaching frustration you go OK now I know your hiding it from me what did you do with it? I in turn asked what Zack and he said that Flathead I just had 15 minutes ago I ain't been no where so you are messing with me. I looked down at him and laughed so hard he couldn't figure out what was so funny and I finally calmed down enough and said Zack it's in your last hand he looked down and got so pissed at his self then looked at me realizing I was still laughing and started laughing too. He said don't tell nobody about this so I'm breaking my promise Zack I just told everyone. Love you
